

CHALET JEREMIE

Alpine chalet for 9 - sauna, games room, views

Make the most of life in the mountains at this traditional farmhouse in a peaceful location

About Chalet Jeremie ...

If you are looking to enjoy an authentic Savoyard experience as well as some great skiing or hiking, you'll quickly feel at home in the rustic Chalet Jeremie.

The 3 star property has recently got new owners who are very excited about spending time there and sharing it with OVO Network guests ! You will find that despite an important overall renovation (roof, doors, windows, insulation, electric system) the property has kept its unique and authentic feel that has made the joy of so many guests over the years.

Set in the quiet hamlet of Le Plan du Comburce near Manigod, with breathtaking views over the Thônes valley, you'll find it hard to believe that this beautiful farmhouse is a little over an hour from Geneva airport. A five-minute drive will get you to the beautiful village of Manigod, where you can pick up fresh bread at the popular boulangerie or enjoy a delicious local meal at Val Sulens restaurant. The chalet provides parking space for up to two vehicles.

Previous OVO guests have told us that they love the sense of space at Chalet Jeremie, the rustic mountain decor and the amazing views.

For long weekends, winter sports holidays, summer stays - no matter what the event or reason, Chalet Jeremie is a great place to stay!
